

# ATTENTION!!!

**The Embassy of Hungary has launched an Online Booking System, which is available from the 10th of October 2022.**

From this date forward, appointments can only be booked directly through our Appointment Booking System: <https://konzinfobooking.mfa.gov.hu/home>

Detailed information on the Appointment Booking System can be found at: <https://iszlamabad.mfa.gov.hu/assets/02/92/35/cb73922c86e800154189d2fcd6a49efc6a892a93.pdf>.pdf

**Due to the enormous interest for visa appointments, bare in mind that although new appointments are opening every day, they are booked very fast. Automatic messages regarding unavailability of free appointments does not mean system failure.**

**Three days before the booked appointment date, the applicant receives an automatic reminder in e-mail. If the applicant does not reply, The Embassy might cancel the appointment.**

[reservation.isl@mfa.gov.hu](mailto:reservation.isl@mfa.gov.hu) is not active, and will not respond to any message.

If you have any questions, please write to [consulate.isl@mfa.gov.hu](mailto:consulate.isl@mfa.gov.hu) – Please note that queries and booking attempts regarding appointments will be left unanswered.
